Dear Mr. Hoyt:

Attached please find a completed Notification of Regulated Waste Activity form for the above-referenced facility in the Bronx, New York. The recent removal of tanks at the site has generated some contaminated soil for disposal. Please assign a number as soon as possible as the waste is blocking an important loading dock.

If you have any questions concerning the form or the site, please do not hesitate call me. I have been handling the tank removal project for the owner. Thank you in advance for your assistance.

Sincerely,

Richard V. Taylor
